FJORD 41XL

A high-speed motorboat, the Fjord 41XL, is shown from a side-rear perspective, moving across the water. The boat has a dark blue hull and a white upper section. A large, dark blue canvas top covers the cockpit area. Three people are on board: a woman in a yellow dress sitting on the left side of the cockpit, a young boy in a blue shirt sitting in the middle, and a man in a blue shirt sitting on the right side. The boat is creating a large, white wake behind it. A small flag is visible on a pole at the stern. The water is a deep blue color.

The image shows the interior of a yacht cabin. The walls and cabinetry are finished with light-colored wood. On the left, there is a set of stairs leading up to an open hatchway. The ceiling is white with a circular speaker and a small rectangular light fixture. A large, dark-framed skylight is set into the upper part of the white bulkhead on the right. Below the skylight, a window looks out onto the sea, with a black metal grab rail visible. In the foreground, a white mattress is partially visible.

FJORD YACHTS

FJORD 41XL

A modern yacht bathroom interior. On the left is a glass-enclosed shower with a vertical showerhead and a control panel. In the center, a wooden cabinet with a door and two open shelves is visible. To the right is a white pedestal sink with a tall, rectangular chrome faucet. The walls are white, and the floor has a light-colored pattern.
